LektroMelodica Releases 'Go - THE REMIXES' EP on Beatport and All Digital Platforms

April 22, 2015 – Philadelphia based music collective, LektroMelodica, released 'Go - THE REMIXES', a remix EP of their late 2014 single "Go" (feat. Sarah Kane), on Beatport and all digital platforms today through Respect Music (Hamburg). The EP features EDM/Progressive House, Trance, and Dubstep remixes by Philadelphia and New York producers Maxim LECTRIQ Laskavy and Aboynamedhsu, Chris Le, Dinn WinnWood, and The Pakman as well as the original Alternative R&B record co-written and produced by Keath "Lion" Lowry (TKA – Top 20 Billboard Dance Hit, Tank, Freeway, Jaguar Wright, Sybil).

The original record was featured in an hour-long segment on Radio Winchcombe's "The Boogie Wonderland Show" (UK) in February. In addition, LektroMelodica's music receives heavy rotation on Breaking Artist's "The Independent Chart Show" (UK), and has been featured on Singersroom.com, in multiple cable and network TV shows including 12 episodes of the hit VH1 TV series "Single Ladies" (all 3 seasons to date), and in the 2011 Danish film "Frit Fald".

Follow LektroMelodica on social media, head to Beatport, iTunes, and other digital platforms to hear 'Go - THE REMIXES', and look out for the "Go" music video this Spring and Summer!
